

BOOK A VENUE AND RECEIVE A FREE EXPERIENCE WITH YOUR BOOKING!

**SUSTAINABILITY
INSTITUTE**

We would love the opportunity to welcome you to the Sustainability Institute for an unforgettable experience.

As you plan your next team workshop, team building, training session or mid-year review, speak to us about adding some difference to your day.

Every venue booking between now and 30 September 2026 is eligible for a free experience!
You can select from any of the listed experiences, and we can accommodate up to 40 people per experience.

Food garden walk

Cultivate togetherness and enjoy an informative walk and talk in our food garden. For those that love to get their hands dirty, opportunities for planting, weeding and harvesting vegetables in our permaculture food garden are always available.

Sip indigenous ice tea

Craft your own blends in our indigenous ice tea workshop, a serene taste of local botanicals. A fun way to learn more about indigenous edible plants and their uses.

Drum up unity

Feel the rhythm with exhilarating drumming sessions that unite your team.

What our clients say:

“The UCT GSB MBA treasures our collaboration with the SI. Going strong since August 2023.”
UCT Graduate School of Business

“Great tour! Great lunch and hospitality. Wow! SI tour and lunch was amazing. Americans were blown away. Thank you.”
Fordham University School of Business

“Excellent job done! The event was well-organized, informative, and engaging. The facilitators were knowledgeable, enthusiastic, and created a supportive environment for all participants. The content was relevant, and the activities were thought-provoking. Your hard work and dedication have made a significant impact on the attendees. Keep up the fantastic work! Your efforts are truly appreciated.”

WHY CHOOSE US?

Advance the cause: when hosting your event at the Sustainability Institute, you directly support the ongoing work we do for the children and youth in Lynedoch Valley. You are helping to bring about more just and generative futures.

We are a truly green and eco-conscious venue: from green building technologies, water and waste management, energy use to responsible sourcing, we live these practices daily. We are a living lab that showcases the work on the ground, for people to engage with and learn from.

All-in-one convenience, affordable with delicious food: book a venue, catering and immersive experiences all in one go! A true soil-to-plate experience: come and see where your food grows, and how it benefits the community as well.

We are located outside the busy hubs of Cape Town, making travelling and parking a breeze. The Lynedoch train station is right on our doorstep. Surrounded by beautiful mountains and landscapes, in the heart of the Cape Winelands.

Perfect for workshops: A distraction-free, restorative environment that sparks creative thinking and alignment. Our beautiful green and natural environment offers plenty of outdoor areas and birdlife to calm the senses and reconnect people to each other and to nature.

Team building opportunities focus on connection, learning and shared experiences. Come and harvest your own lunch ingredients together, discover new indigenous flavours or participate in a fun activity in a relaxed environment.

For more information and to make a booking please contact the Nourish team at bookings@sustainabilityinstitute.net or 021 881 3500.

The SI is a level 1 QSE B-BBEE verified organisation. When you book a venue with us, or make use of our catering services, your company will be eligible to allocate this towards your B-BBEE scorecard in terms of Skills Development, Enterprise & Supplier Development and/or Socio-Economic Development.
